### **Fall Prevention Topic of LWMC Lunch & Learn**

**Lake Wales, FL** – Lake Wales Medical Center’s Senior Circle program will present a free talk on “Preventing Falls and Improving Balance” at a Lunch & Learn on Wednesday, July 30, at 11:45 a.m. The program will be held in the second floor meeting room of the Hunt Building at Lake Wales Medical Center, 410 S. 11<sup>th</sup> Street. Lunch will be served.

LWMC Neurologist Dr. Hasan Mousli will present the program. Dr. Mousli completed his residency and fellowship training at Stony Brook University Hospital in Long Island, NY. Before coming to Lake Wales to serve as Director of the Neurodiagnostic & Sleep Center, Dr. Mousli spent three years in Rhode Island, where he practiced neurology and sleep medicine with a Brown University affiliated hospital, as well as pain management with a multi-specialty pain management group. He is board certified in Neurology, Clinical Neurophysiology and Sleep Medicine.

The program is free and lunch is included. To register, please call 679-6823.
