Healthy Woman Program Kicks Off Registration Contest

Lake Wales, FL – Healthy Woman, a free community education resource sponsored by Lake Wales Medical Center, has announced a registration contest which runs through June 26.

Current members of Healthy Woman are being asked to recruit new members to the group, and the person who recruits the most new members will win a \$50 gas card. Additionally, all new Healthy Woman members who enroll between May 22 and June 26 will be entered into a drawing to win a \$50 gas card; one winner will be chosen at random from among all new registrants during that time period.

With 2,057 members, Lake Wales Medical Center's Healthy Woman chapter is the second largest in the nation.

Healthy Woman offers free monthly programs on topics of interest to women. Meetings are held the fourth Thursday of each month at rotating locations in Lake Wales, Winter Haven, and Frostproof. All events are free, refreshments are served, and door prizes are awarded.

This month's program, Stress Busters, will be held June 26 at 6 p.m. at the Lake Wales Medical Center cafeteria. Membership in Healthy Woman is free, and there is no charge for the monthly meetings. For details or to register for a program, please call 678-2288.
